

# **Demonstrate Knowledge of SkillsUSA History**

**TN 7.2A**

**SkillsUSA S-1.5**

- **To be an active and effective member of an organization means understanding what the organization is all about.**

SkillsUSA  

---

Champions *at* Work®

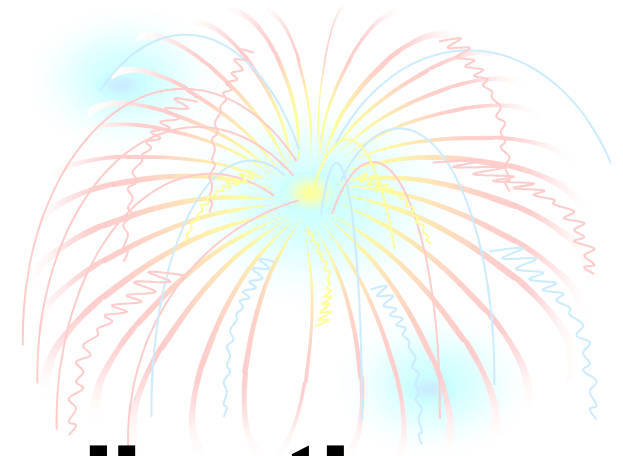

- **It means understanding how the organization was formed, why it was formed, and what kind of changes it made as it grew.**

SkillsUSA  

---

Champions *at* Work®

- **It also means understanding the organizational mission and beliefs, because as a member, you share those ideals.**

# History of SkillsUSA

- **Since 1965, SkillsUSA has had a positive influence on millions of students nationwide.**

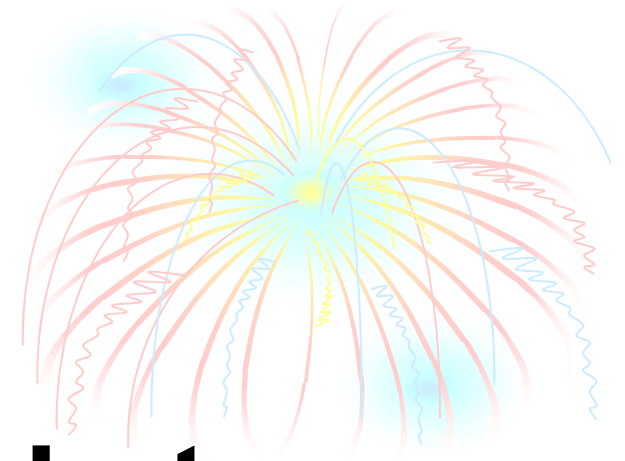

SkillsUSA  

---

Champions *at* Work®

- **SkillsUSA was established as a national organization that now serves high school and college/post secondary students and professional members who participate in training programs for technical, skilled, and service occupations, including health occupations.**

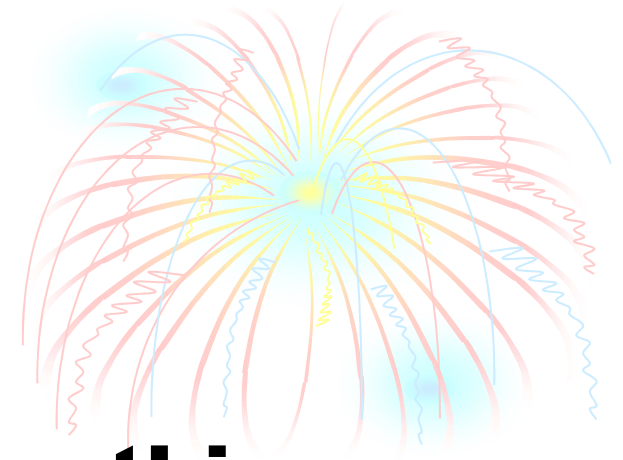

- **Through SkillsUSA, students can learn to foster a deep respect of the dignity of work, and attain a purposeful life.**

SkillsUSA  

---

Champions *at* Work®

- **High standards in trade ethics, workmanship, scholarship, and safety are promoted while students learn to plan, organize, and complete worthwhile projects and activities.**
