SkillsUSA
Goals & Programs.**

**TN 7.2.A.
SkillsUSA S-1.7**

Goals and Programs

- **SkillsUSA serves students prepared for technical, skilled, and service occupations, by developing their occupational, academic, and employability skills, including leadership**

SkillsUSA
Champions at Work[®]

Goals and Programs

- **To do this the organization has established goals and developed programs that consider the unique needs of students whose skill and motivation are essential to success.**

SkillsUSA
Champions at Work[®]

Goals and Programs

- **SkillsUSA programs are an outgrowth of its goals. Central to all of these programs is the concept of the total development of the individual.**

SkillsUSA
Champions at Work[®]

Goals of the Organization

- **SkillsUSA goals are built around advocacy, member services, marketing, training, and fiscal integrity.**

SkillsUSA
Champions at Work®

Goals of the Organization

- **1. Acceptance of SkillsUSA activities by the education system as an integral part of the instruction program.**
- **2. Involvement of every instructor as an advisor to students in carrying out SkillsUSA's national program of work.**

Goals of the Organization

- **3. Creation of programs that will motivate members in their training and chapter activities.**
- **4. Expansion of high quality leadership training for students, advisors, and partners on the local, state and nation levels.**

SkillsUSA
Champions at Work®
