

## Careers in the Construction Industry

Log onto the Internet and look up the career which you have been assigned. Try [www.byf.org](http://www.byf.org), <http://tcids.tbr.edu/>, or <https://www.bls.gov>.

In a **two-page bulleted outline**, fulfill the following:

1. Give a brief *career description* for this career.
2. Give a brief *career summary* for this career (use the definition you already have in your notes).
3. List five *primary tasks* in which a person in this career would engage (what does that person do?).
4. List five types of *basic knowledge* that a person must have to work in this career.
5. List five *basic skills* that a person must have to work in this career.
6. List five *basic abilities* that a person must have to work in this career.
7. List five *work activities* in which a person in this career would engage.
8. Create a table that lists the *salary* for this career in Memphis, in Tennessee, and the US.
9. List and give contact information for the professional organization(s) this career.
10. Optional (extra credit, up to 5 pts.): Provide a printed color illustration (separate paper).

### Format

- Use ¾" to 1" margins *only*.
- Use 12 pt. Times Roman or Arial fonts *only*.
- Use bulleted outline format *only*.
  - Indent where logical to do so.
- Write a **bold heading** for each group of bullets.
- Write *single spaced* with a *double space* before each heading.
